08. General explanation attachment
The deficit reported for the current fiscal year is primarily due to multi-year grants that were fully recognized as revenue in the prior year, by generally accepted accounting principles (GAAP). Although the grants were recorded previously as required, the related program expenses occurred in the current year, resulting in a timing difference between revenue and expense recognition. The organization remains financially stable and continues to operate within the scope of its multi-year funding commitments. Our balance sheet reflects the funding that has been carried over from prior financial years.
